OVERVIEW

Join our international youth exchange, supported by Erasmus+! “Colors of Connection – Voices Through Creativity” will take place from 8–14 January 2026 in Międzybrodzie Bialskie, Poland, bringing together young people from Poland, Romania, Greece, and Italy.

Through five creative days focused on music, painting, photography, theatre, and digital art, participants will explore how creativity can connect people beyond borders and help build a more inclusive Europe.

You’ll take part in interactive workshops, group projects, and intercultural evenings, using art to express emotions, share stories, and reflect on important topics like inclusion, diversity, and participation.

This exchange promotes teamwork, self-expression, and intercultural learning, empowering young people to use art as a tool for empathy, understanding, and positive change.

OBJECTIVES

Promoting inclusion and empathy by using creativity and artistic expression to build understanding among young people from diverse backgrounds.

Encouraging self-expression and participation by helping participants share their voices, ideas, and experiences through collaborative art and non-formal learning.

Fostering intercultural dialogue and cooperation by connecting youth from four European countries through teamwork, creativity, and shared cultural experiences.
